TRAININGS FOR MINNESOTA CHILD CARE PROVIDERS

January-May 2025

Annual Budget and Cashflow for Family Child Care Providers

Participants will learn basic budgeting concepts. Explore income and expense sections of a budget. Discuss the purpose of budgeting and the different types of budgets. Understand the purpose of projecting cash flow. Break down the sections of a cash flow statement. Analyze a child care business case study to identify strategies to manage cash flow.

Tuesday, January 14, 6:30–8:30 pm; Event ID: 435104

Leveraging Technology for Child Care Business

In today's digital age, technology plays a crucial role in enhancing the efficiency and quality of child care centers and family child care providers. By incorporating the right software and hardware solutions, child care businesses can streamline their operations, improve their financial knowledge of their business, and use technology to support their growth and operations. In this training, explore various technology tools, their advantages, and how to effectively integrate them into your child care business.
