February–May 2025

Are you a licensed Child Care provider in Minnesota?
Are you interested in new technology for your program?

First Children's Finance can help!

Trainings

Leveraging Technology for Child Care Business

In today's digital age, technology plays a crucial role in enhancing the efficiency and quality of child care centers and family child care providers. By incorporating the right software and hardware solutions, child care businesses can streamline their operations, improve their financial knowledge of their business, and use technology to support their growth and operations. In this training, explore various technology tools, their advantages, and how to effectively integrate them into your child care business.

MN Access to Technology Grants

Round 3 opens on February 27 at 9 a.m. and closes at 4:59 p.m. on March 7

Grants, funded by the State of Minnesota Department of Children, Youth and Families, will help licensed child care businesses access technology to improve business management efficiency. One grant of up to \$1,000 may be awarded per licensed program in a two-year period. For more information on grant guidelines, visit [FCF's Minnesota grants page](#).
